

NORAC Equipment List

Listed below is the required equipment for all NORAC Competitive Swimmers. If your child already has equipment that fits (even if it's a different style/make), there is no need to buy the newest versions. Also, very **IMPORTANT** please **clearly mark** all of your swimmers equipment with permanent marker. Beginning this season, all swimmers are required to bring their own flutterboard and pull buoy. We are no longer able to lend equipment due to COVID 18. Equipment must go home and be cleaned and sanitized after every use.

These items are available online from Team Aquatic Supplies at the following link:
