SWIM MEETS and OFFICIALS COMMITMENT

We hope to be able to provide competitive opportunities to our swimmers by hosting Time Trials and/or In House meets. All Local and Swim Ontario/Swim Canada guidelines will be adhered to.

OFFICIALS COMMITMENT

Once we are able to host meets, we will require certified Officials on deck. All parents are expected, at a minimum, to be certified as a Level 1 Official. At this time, no in person Officials clinics will be held but some clinics are available on line and others will be available virtually.

As your child moves up the swimming levels, parents too should be moving up the Official's ladder. Parents with swimmers at the Youth + level should be working towards their Level 2 certification. Jr/Sr Development/Elite parents should be working towards Level 3. Ideally, the club should have a minimum of two Level 4 Officials as well.

For more information about Officials, contact the NORAC Director of Officials

SWIM-A-THON

Each spring NORAC swimmers participate in the annual swim-a-thon. Swimmers will complete 200 lengths (5km) or swim for 2 hours. All swimmers are encouraged to collect sponsors for this event. All donations are collected online. Please watch for emails directing you to the Swim-a-thon website and instructions on how to set up an account and accept donations. Funds raised through this event are used to keep registration costs down and are not eligible for individual fundraising commitments.

STATUS of Swim-a-thon for 2022 is unknown at this time.

NORAC GUIDELINES FOR BINGO

Bingo is a major fundraiser for NORAC and it takes many people to make it run smoothly. We encourage every family to take part. We are governed by the Alcohol and Gaming Commission of Ontario (AGCO) and are required to follow AGCO legislation in order to maintain our Bingo License. For this reason we must ensure everyone follows the same rules as set out by NORAC, Hometown Bingo and the AGCO.

Your Duties are to:

- Arrive at the scheduled time and stay for your entire shift.
- Follow the banker's instructions.
- Count and verify bingo cards.
- Sell cards to patrons.

The following jobs are not required at this time due to COVID 19 procedure changes.

- Call back winning bingos.
- Help patrons when asked.
- Clear tables of paper and garbage during the bingo.
- Clear tables of garbage, leftover liquids, verifiers and verifier booklets at the end of the bingo.

Important

- Volunteers must be bona fide members of NORAC and over 18 years of age. If you have other family members willing to work bingos for you, please notify the bingo director well before your bingo date.
- No shows, late cancellations or two (2) late arrivals will result in a bingo penalty charge of \$80
- Bingo shifts typically run 4.5 hrs.
- Bingo times are:

Session:	Arrival Time	Bingo Start Time
Early	10:30 am	12:30 pm
Afternoon:	1:30 pm	3:30 pm
Evening:	5:00 pm	7:00 pm
Late night:	8:00 pm	9:45 pm
- Although the bingo director sends reminder emails, it is your responsibility to remember your bingo dates. The reminder email is a courtesy only.
- Every family is asked to sign up for at least one bingo to work next summer.
- Bingo dates and the sign-up process are posted on the NORAC website at www.swimnorac.com/parents/fundraising/.

NORAC Code of Conduct

As a Member of Swim Ontario, the Northumberland Aquatic Club abides by the Swim Ontario Code of Conduct and the NORAC Code of Conduct.

Board Members, Coaches, Parents, Athletes and Officials are expected to be familiar with and abide by these Codes of Conduct which can be found on the NORAC website.

All swimmers, parents, coaches and Board members are required to sign the applicable Code of Conduct at the time of registration stating that they will abide by NORAC's codes of conduct.

NORAC Complaints and Conflict Resolution Procedure

If a swimmer, parent, guardian, coach or Board member is in breach of a code of conduct, the issue should initially be brought to the attention of the person most directly involved. For example, a parent addresses the concern with the coach of the swimmer in breach of the code, if the issue is not dealt with to the satisfaction of the complainant, then the concern should be taken to the head coach, and finally, if need be, a written complaint is submitted to the NORAC Conflict Resolution Committee.

The NORAC Conflict Resolution Committee is comprised of three members of the NORAC Board of Directors (the Board). If any member of the standing Conflict Resolution Committee is the parent/guardian of a child involved in the complaint, another member of the Board will be appointed to the Committee for the purpose of resolving the complaint.

The Conflict Resolution Committee has the authority to provide a copy of the complaint to the parents/guardians of the swimmer who is the subject of the complaint and gather any information it deems necessary in order to resolve the complaint. The Committee will endeavour to complete the information gathering and draft a report to the Board within 30 days of receipt of the complaint. The Chair of the Committee will keep, or cause to be kept, a full record of the proceedings of the committee, and will provide to the Board for its consideration and approval, a written report including the recommendation on how the complaint is to be resolved. The Board will review the report at its next regularly scheduled meeting.

The member who has been charged and the complainant will each receive a copy of the decision and the reasons for the decision.

The approach of progressive discipline will be used to correct, as opposed to punish, undesirable behaviour and enable the Conflict Resolution Committee to choose from a continuum of interventions and supports to resolve the complaint.

Resolution of the complaint may include but is not limited to:

- An invitation to the swimmer and the swimmer's parent/guardian to discuss the complaint
- A verbal or written warning or reprimand
- A request for the swimmer to write a letter of apology to the complainant
- A request for the swimmer to write a letter discussing how their actions have impacted themselves and other members of NORAC and what they will do to ensure the inappropriate behaviour does not continue
- Suspension of membership for a period of time
- Permanent revocation of membership

Serious infractions that will be grounds for immediate suspension and possible dismissal include but are not limited to:

- Uttering a threat to inflict serious bodily harm on another person
- Possession and/or use of alcohol, cigarettes or illegal drugs
- Committing an act of vandalism
- Committing physical assault
- Theft
- Persistent opposition to authority
- Use of profane or improper language
- Conduct injurious to the moral tone of NORAC or to the physical or mental well-being of others
- Inappropriate touching
